Retrenchments in the matter of allowances

General and Revenue Secretariat

App. F. III—2

S.R. File No. 176 of 1931.

Serial No. 2

From

D. G. of Police

No G. C. 242 dt 1-2-32

Furnishes the report on the matter.

1) The D. G. of Police has consulted in the matter of retrenching certain allowances after scrutinising each item. He has now sent his report on his report he has recommended the retention of all the allowances with increases in 6 items & decreases in 3 items. The proposals involve a net increase in cost of Rs 3546 per annum.

Present Rs 195 Proposed Rs 250.

2) Duty allowance :- At present 3 Inspectors, 2 Sub Inspectors & 4 constables in the C.I.D & 1 Inspector in the Manager Print Bureau get duty allowances. These are proposed to be retained & in addition the D. G. P proposes to increase the allowance to the Inspector in the Manager Print Bureau to Rs 35 & to give allowa

to the 2 Sub-Inspectors working in that department at the rate of Rs 25 each. These recommendations are made on the ground that the work of these officers are of more arduous & responsible nature than that of the ordinary Land Inspectors or Sub-Inspectors & the work in the Survey Training Depot. requires Spl. Training.

The allowances of 2 C.J.S Inspectors were reduced to Rs 25 each on the recommendation of the Finance & Taxation committee in 1926. Many of the allowances then sanctioned have since been abolished.

The present Retrenchment committee while examining the principles on which these allowances are justifiable have stated that they can be justified only when the entire work is on active

the normal duties of the officer on the route entails special responsibility or is of an especially difficult or arduous nature. They have suggested that a preferable course in such cases would be to treat such appointments as tenure appointments or appointments with special salary.

Present Rs20 Proposed Rs20

3) Motor cycle allowance. This is being paid to the Traffic Inspector Bangalore city who is required to be on the move over the whole of the city to check traffic & supervise the work of his subordinates & a motor conveyance is said to be required.

Present Rs82 Rs2372 Proposed Rs82 Rs2341

4) Local allowance. These are being paid to certain temporary staff stations at K. R. S. works etc; to the staff at distributing & to those in the cities & other important stations on the ground of the expensiveness of the locality

NOTE—Contn. Sheet.

The provincial Reserve police are paid the H. A on the ratio ground of the strain of their duties & the D. G. P considers these allowances essential to attract the right sort of men.

The Retrenchment committee have stated that there is no valid reason to support the existing local allowances as pay is presumed to be fixed with regard to nature of duty & the conditions of its performance.

The Naiks & Constables of the Reserve Police get Rs 20 & Rs 14 to 17 while the Draftsmen & constables of ordinary Police get Rs 21 to 24 & Rs 13 to 15.

Rs 2 each is being paid to the Reserves especially orderlies. Similar especially orderly allowances have been recently sanctioned in other departments.

in the Training School get an allowance of Rs 2 per head a day, says the I.G.P. is warranted by extra expenses incurred by the men having apart from their homes.

Present Rs 100 — Proposed nil. (5) Good conduct allowance :- This is a privilege confined to U. Co. & Police alone in the nature of incremental pay. The I.G.P. recommends its abolition so far as future increments are concerned. When incremental pay ceases then the continuance of this privilege does not seem to be justified.

Present Rs 17½ — Proposed Rs 25 (6) Special locality allowance. This is being granted on account of unhealthy & expensive nature of the locality. The question of the continuance or otherwise of this allowance is understood to be under consideration in the Finance Dept.

(11) The D.G.P has also proposed the grant of allowances to the Sub Inspectors stationed in some localities on the lines of those paid to the Police Staff at the rights which was sanctioned so long ago as 1906. On the orders of 31-10-27 marked allowance was sanctioned to the Sub Inspectors & Constables in different localities at rates ranging from Rs 1 to Rs 4 & until the Constables is paid a minimum wage of Rs 18 & ~~any~~ the D.G.P is against any reduction in the allowance as it would be otherwise difficult to recruit the right type of candidates.

The A.S.Ps of Bangalore & Mysore were allowed to occupy ~~the~~ or a portion of the officer building free of rent because they had been so occupying it for some years. It was ~~also~~ considered that as no accommodation was required for the office the Mysore A.S.P had to live outside. The D.S.P recommends the grant of house rent allowance to A.S.P Mysore, A.S.P at

headquarter office & Principal Police training school. Officers of similar grade in other depts in the 2 cities are not getting any free quarters.

The D.E.P urges that it must be recognised that subordinate Police getting less than Rs 100 should be provided with free quarters or paid house rent allowance at percent 16% & the subordinate Police is said to be housed & suggests basic inflamble lines for housing the police to the extent of 99%.

(3) The Retrenchment Committee in this connection observe that free quarters & house rent allowance are undesirable on principle & in the case of officers on high salaries are unnecessary. The only justification for this allowance according to them should be cases where the duties of the officer compel them to live in or in the near vicinity.

K. G. G. allowances. These are in the nature of special local rates allowances which is under consideration in the Finance Dept. The D. G. P urges their continuance in the case of the constabulary as their basic pay is low. He has suggested its reduction slightly in the case of Jamadars & Naicks. Though it is admitted that there is no justification for paying more in the K. G. G. than in Bangalore, the D. G. P is not for abolition of the allowances as the basic pay is low & is of opinion that the K. G. G. may be reduced in proportion to any general increase of pay.

15) *The Inspector General of Police was requested to give his opinion in the matter of retrenchment and withdrawing the several kinds of allowances that are being drawn by the officers of the Police Department. He has sent a detailed report. His views in regard to the several allowances are as follows:--*

16) *I. DUTY ALLOWANCES:*

(a) Three Inspectors, 2 Sub Inspectors and 4 Constables in the Criminal Investigation Department get duty allowances now. Owing to the arduous and responsible nature of the work, the Inspector General of Police suggests the continuance of this allowance. It is for consideration if on principle duty allowances are allowable for these officers while they have been cut off in several other departments. The Retrenchment Committee is averse to the grant of duty allowances except in very special cases where there is extra work outside the normal duties of the officer or where the work entails a special responsibility.

(b) The Inspector of the Finger Print Bureau is given a duty allowance of Rs. 20 and a conveyance allowance of Rs. 6. The Inspector General of Police proposes that the Inspector's allowance may be raised to Rs. 35 and that the two Sub Inspectors working in the Bureau be given an allowance of Rs. 25 each.

17) *In a separate file on this matter which has*

been referred to the High Court, the I.G.P. has proposed that the fees which are recovered from parties for comparison of finger prints and which are now being paid to the officers, may be credited to Government and the allowance of the officers of the Bureau increased as stated above. The fees collected are likely to be more than the increased allowance.

Extra cost involved by this allowance will be Rs. 780 per annum. The I.G.P's proposals may be sanctioned.

This may be separately considered in connection with the question of fees
MN

II. MOTOR CYCLE ALLOWANCE:-

Rupees Twenty is paid to the Traffic Inspector in Bangalore City. As he has necessarily to keep a motor conveyance -- a means of locomotion rapid enough to overtake buses -- the I.G.P. suggests the continuance of this allowance.

May be continued
MEC

III. LOCAL ALLOWANCE:

(i) Local allowances are being paid temporarily to officers and men at Krishnarajasagara Works and at Thippagondanahalli. The I.G.P. suggests the continuance of these allowances till the works are completed.

Please note whether the allowances of Special Pay of the Dept. at these two places have been reduced or abolished.
MN
These allowances may be dealt with as in the case of the Special Special Pay stations in these places
MN

(ii) Local allowance to the staff at the Distillery, Bangalore, is being paid at Re. 1 each. The I.G. of Police suggests that the Daffedar's allowance should be raised to Rs. 2.

May be continued
MEC

(iii) Daffedars and Constables at Bangalore and Mysore Cities as well as the railway police stationed in these stations are paid local allowances at Rs.2 and 1 respectively. On account of the increased cost of living in these places, the I.G. of Police says that the allowances are justified.

May be continued

(iv) Similar allowances are being paid to the

police in Bangalore Taluk, Seringapatam, Davangere and Harihar Sub Taluk, and also to the District Reserves in Bangalore and Mysore Districts. The I.G. of Police proposes their continuance and grant them to the vacancy reserve of these districts instead of to the District Reserve which has ceased to exist.

(v) The I.G. of Police proposes to continue the local allowances that are being granted to the Provincial Reserve Police. Naiks are being paid Re. 1 while constables get Rs. 2 each. The I.G.P. suggests that the Naiks' allowances also may be raised to Rs. 2 as in the case of duffedars in the Cities.

(vi) and (vii). The I.G. of Police suggests the continuance of the allowance of Rs. 2 each paid to 4 constables of the Provincial Reserve Police who work as cycle orderlies and the constables attending Police Training School.

(viii) The allowance of Re.1 each paid to constables attached to the out-post near the Railway Workshops in Mysore is also suggested for continuance.

21) *The total extra cost involved under Local allowances as suggested by the Inspector General of Police is Rs. 222 per annum.*

IV. GOOD CONDUCT ALLOWANCE:

22) *This is granted by way of increments of pay to only the K.G.F. police. The I.G. of Police considers that its grant to one particular district*

NOTE—Contn. Sheet.

only is not justified and proposes its continuance in regard to the present incumbents and its abolition in respect of future incumbents.

D. G. P's proposal may be accepted
MM

V. SPECIAL LOCALITIES ALLOWANCES:

This is being paid to clerks on Rs. 50 and below in unhealthy or expensive places -- at Shimoga, Chikmagalur and Kolar Gold Fields. It seems to have been drawn in the offices of the D.S.P's at Kadur and Shimoga Districts, but not of the D.S.P. at Kolar Gold Fields, possibly due to ignorance or neglect. The I.G. of Police advocates its continuance so long as clerks of other departments are also allowed to continue to draw it.

The allowances of these officials will be governed by the general orders on the subject
MM

The increase under this head will be Rs. 90 per annum.

VI. PERSONAL ALLOWANCE:

This is being drawn by 2 Subedars of the Provincial Reserve at Re. 1 each and 616 constables as they were not benefited when the minimum pay was raised in 1928. From its very nature, it will cease with the present incumbents.

No orders required
MM

VII. DRILL ALLOWANCE:

This is being paid to only three instructors in Drill. The I.G. of Police advocates its continuance on account of the extra work entailed on training recruits.

May be continued
MM

VIII. FIXED TRAVELLING ALLOWANCES:

This is paid to three Sub Inspectors and one Jemadar of the Railway Police at the rate of Rs. 10. & The I.G. of Police suggests the continuance of the allowance.

29) *X. MALNAD AND GHAT ALLOWANCE:*

(a). Malnad Allowance is paid to the three Sub Inspectors in the Taluks of Saklespur, Mudgere and Koppa at Rs. 25 each. The I.G. of Police considers that there is no justification for the grant of allowances to the inspectors of these taluks alone while there are several other malnad taluks where officers are not paid such allowances. He suggests that the allowance may be continued to the officers in the ~~said taluks until such time~~ taluks of Saklespur, Mudgere and Koppa until such time as the pay of the Inspectorate reaches a minimum of Rs. 100 whereafter it may be discontinued.

The allowance ~~is~~

30) *The idea of the I.G . of Police is not very clear. He probably means that the present incumbents should not be affected. This allowance may be ordered to be abolished ~~subject to its being continued in the case~~ of the present incumbents* When the pay reaches Rs 100 or when they are transferred.

The allowance may be abolished with change of incumbents MM

NOTE—Contn. Sheet.

WD 02553—G P B—50,000—8 7 30

(b) Sub Inspectors and Jemadars do not get any malnad allowance except those stationed at Hiriyur. The I.G. of Police proposes that the Sub Inspectors and Duffedars also should be granted malnad allowance at Rs. 12 and 8 respectively.

The proposal of the I.G. of Police involves an additional expenditure of Rs. 2,456 per annum. There seems to be no justification for the fresh grant of the special allowance to these officers at the present stage. The I.C.P's proposal is probably due to the anomaly that while Inspectors on the one side and the Daffedars and constables on the other get the malnad allowances, the Sub Inspectors and Jemadars alone are left out. Since the Inspectors allowances will also be abolished, there is no necessity to consider the case of Sub Inspectors and Jemadars.

53) I agree MES

The case of Hiriyur is different. The officials of all Departments stationed at Hiriyur get an allowance of 20 per cent of their pay. Instead of a variable allowance ~~dpa~~ depending upon the amount of pay, the I.G. of Police suggests that the allowances might be fixed as follows:—

54 The general rule governing all depts must apply to Police Officers also MES

Inspector's allowance		Rs.	17	8 0
Sub Inspector's	"		12	0 0
Daffedar's	"		4	8 0
Constable's	"		2	12 0

This may be allowed so long as the officials of other departments are granted allowances.

The above proposal will decrease the expenditure by Rs. 30 per annum.

(c) In the case of Duffedars and constables the malnad and ghat allowances vary according

General and Revenue Secretariat S/A File No. 176 of 193 1.

Serial No.

to the place. The I.G. of Police proposes to simplify the matter by making the allowance uniform at Rs. 2 to Daffedar and Rs. 1-8-0 to constable.

(3) According to the I.G.P's proposal, there is no extra cost involved by this change.

Besides the Malnad, there are other places like Chennapatna, Closepet, and Magadi, where ~~this~~ allowance is paid to duffedars and constables. The I.G. of Police strongly advocates the continuance of this allowance till the pay of the officials is raised to that of the minimum living wage and states that the deprivation of this allowance would be disastrous.

The annual cost of the Malnad allowance is Rs. 19,832 and owing to the reorganisation, it is reduced to Rs. 14,382. With the staffing of the Treasury Guards by the Police and the correction of the anomalies, the I.G.P. says that the figure has to be increased to Rs. 15,582.

(4) XI. HOUSE RENT AND FREE QUARTERS:

The I.G. of Police suggests the continuance of house rent and grant of free quarters to the officers who are allowed them at present. He goes further and recommends the grant of house rent to two Inspectors in Mysore City and the two Anglo-Indian Sergeants working in Bangalore City. He emphasises the necessity for the grant of free quarters or houserent to subordinate executive

This may be perused as the I.G.P says that the change will involve an additional expenditure of Rs 1483 a month. This figure appears to be a mistake. Perhaps the allowances may be uniformly fixed at Rs 2 per Duffedar and Re 1 (instead of 1-8-0) per constable, and absorbed in the next increase of basic pay. If these rates.

officers on a pay of less than Rs. 100. He also suggests that the A.S.P's in Bangalore and Mysore and the Provincial Reserve Police should be provided with free quarters or granted house-rent.

These proposals have to be examined separately. 16.4.32

The Retrenchment Committee have observed that free quarters or allowances on account of house-rent are not desirable on principle and in the case of ~~high~~ officers drawing high salaries, they are unnecessary, and that the only justification for it should be cases where the duties of the officers compel them to live in or near the vicinity.

The increase according to the I.G.P's proposals is Rs. 522 per annum.

The allowances now getting sum

The allowances in the case of ~~Inspectors and~~ ~~Superintendents~~ may be continued and as suggested by the I.G. of Police, 2 Inspectors in Mysore City and the two Head Constables may also be granted house-rent. This seems to be necessary for the efficient performance of their duties.

XII. KOLAR GOLD FIELD ALLOWANCES:

At present, on the K.G.F., Jemadars and Daffedars are paid local allowances at Rs. 10 each and Constables Rs. 4, and the same privilege is being extended to Subedars, Havaldars, Naiks, ~~& Constables of the Provincial Reserve~~ serving on the Fields and to the Railway Police Staff in Bowringpet and Marikuppam. The I.G. of Police considers that there is no justification for giving the police officers a higher allowance in the Kolar Gold Fields than in Bangalore City. In the case of the constabulary and the duffedars he considers that their basic pay is insufficient

and therefore advocates the continuance of the K.G.F. allowance and that it may gradually be reduced as their pay is ~~reduced~~ raised. His proposal is to reduce the allowance in the case of future incumbents ~~as follows:—~~ in the post of

Jamedars on the K.G.F. to Rs. 5, & in case of

Duffedars in K.G.F. and Bowringpet Station. to Rs. 7,

and to continue the allowance of Constables at Rs.4.

He also suggests the continuance of the allowance now being given to the Duffedars and Constables in the Bowringpet Taluk.

The allowances of Sepoys Jamedars & Duffedars in Bowringpet town & K.G.F. may be reduced to Rs 5 in the case of future incumbents The allowances of constables may be reduced to the base pay & grade reduced to Rs 2 hereby recommended

86) According to the consolidated proposition statement sent up by the Inspector General of Police, the total increased cost involved by these proposals amount to Rs. 3,546/- per annum.

2) Appendix C.IV, and L. - In detailing the local allowances drawn by the Provincial Reserve Constables, an exception is made in the case of the detachment at K.G.F. whereas G.O.No.P.2752-61 Pol. 22-29-10 dated 21-11-29 does not contemplate enhanced rate of local allowance to the detachment at K.G.F. and according to G.O.No.1093-4/Pol.90-30 dated 22-8-30 the allowance of Re.1/- drawn by Provincial Reserve men was raised to Rs.2/- uniformly in all cases, irrespective of the locality in which they were stationed. Inspector General's assumption that the detachment should be given a similar allowance in K.G.F. as in the case of ordinary police stationed at K.G.F. in accordance with G.O.No.F.4609-18/Pol.234-15-10 dated ~~10-5-1918~~ 10-5-1918 is not covered by the sanction of Government and specific orders are necessary in the matter. is revised accordingly (No. 2 in G.O)

1). Motor cycle allowance: The Comptroller states that it is Rs 16 at present & the I.G.P. accepts it. The allowance will be ordered to be continued (para 41).

2. K.G.F allowance to P.R.P detachment (No. 12 of G.O)

These officers are drawing at present an allowance of Rs 10, & the Constables Rs 4 as in the case of the ordinary Police. The Comptroller states that this is not covered by a specific G.O. The I.G.P writes an Account Code Vol II Appendix p. 37 which applies to Police at Bowringpet Town & K.G.F. This will be ordered to be continued to the P.R.P also in the case of present incumbents & stopped in the case of future incumbents (para 60). Daffedars in Bowringpet Taluk who get Rs 2/- at present will continue to draw it. The draft G.O is suitably amended.

3. Cycle allowance (No. 9 of G.O)

At present there are no officers in the Chief Office drawing this allowance. The draft G.O is amended. The Sheristadar will draw at Rs 5 as in other departments.

(The controversy between the Comptroller & the I.G.P is in regard to the number of officers entitled to the allowance. This does not concern this G.O.

4. The I.G.P explains how officers are entitled to House rent in Bungalows &c.

Other suggestions of the I.G.P

1) L.A at Thippagondanahalli etc (No. 3a of G.O)

The I.G.P suggests that it may continue till staff is withdrawn. Some staff at least may be necessary for these places even after the works are completed. It is therefore correct to treat the posts in the same way as officials of other depts. Sanctioned there. The order in the draft may be retained

2) L.A at the distillery (No 3b of G.O)

The I.G.P suggests the increase of duffedars allowance to Rs 2/- from Re 1/-. There is only one duffedar. This may be raised to Rs 2/- in view of the fact that duffedars in other places get Rs 2/- & Constables get Re 1/-.

3). Conveyance allowance: This has been dealt with above in the case of cycle allowance.

4) Talwar allowance (No. 10(3) of G.O).

The I.G.P suggests that the allowance may be granted subject to the condition that the Salary of duffedar & Constable will not exceed Rs 23 & 18 respectively. The lowest grade of duffedar at present is Rs 21/- + There is a similar grade. The order proposed at para 57 is that the allowances may be absorbed in the next increase of pay of those posts. There is no increase of pay proposed to duffedars etc. The I.G.P's suggestion in regard to duffedars may be accepted &

The allowance contained subject to the salary not exceeding Rs 23/-.

On the Case of Constables, the ~~salary~~ pay proposed in the reorganization is Rs 15/-. At present there are some Constables who drawn Rs 15/- & some Rs 15+1 (P.A.). The P.A will cease with the present incumbents (para 24 above). The D.G.P's maximum of Salary of Rs 18/- suggested seems the high. The ~~Special allowance~~ of Re 1/- may be Continued subject to para 2 The allowance not exceeding Rs 16/- The draft G.O is altered as above subject to approval

5) House Rent: (No 11 of G.O).

The D.G.P says that since the A.S.P's office has been converted as quarters for two Inspectors in Mysore city, no house rent need be sanctioned. As regards Rents to Indian Head Constables, the D.G.P had asked for house rent for Two in Bangalore city & the rest suggests the reduction of One one Mysore. He also suggests the increase of the rate from Rs 8/- & Rs 10/- House rent at Rs 8/- may be sanctioned for all three of them

There is a slight mistake in the G.O issued re Police Dept. allowances to the staff in the local allowances in Bangalore & the other cities, the order indicates it is "continuing". This is not correct. In the G.O of 21.10.32, it has been ordered that "all officers of the 5th grade are posted to the cities of Bangalore & Mysore they will receive an allowance of Rs 2/- to make up a salary of Rs 23. Except to this extent, no local allowance will be paid to Police officers in these two cities". It was expected that the local allowance G.O would be issued first, so that G.O of 21.10.32 would supersede this particular portion of the order. But since the local allowance G.O has issued later a correction therein is necessary.

In the G.O, the order against Bangalore city Artillery is improper & this a similar order applies in Bangalore & Mysore cities, & those that follow below

Inspector General of Police in Mysore,

To

N. MADHAVA RAO, ESQ., B.A., B.L.,

CHIEF SECRETARY TO THE GOVERNMENT OF MYSORE,

BANGALORE.

SIR,

With reference to your letter No.P.2420/Pol. 106-31-1 dated the 30th/31st October, 1931, requesting my opinion in the matter of the retrenchment or withdrawal of the several kinds of allowances that are now being drawn by the officers of this Department, I have the honor to furnish below a detail report in the matter.

ALLOWANCES

These are of a varied nature and are differently styled : Duty, Local, Good Conduct, Drill, Conveyance, Personal, Malnad etc., I propose to d eal with each variety in its turn and suggest such adjustments as may be required to remove anomalies - many of which exist - and to procure uniformity.

I. DUTY ALLOWANCE:- This allowance is paid to subordinate officers in the Criminal Intelligence Department in consideration of the specially arduous nature of their duties and the increased responsibility attached to them. Inspectors in the CRIME and POLITICAL Branches are paid Rs.35/- and Sub Inspectors Rs.25/- a month on this account while the constables attached to the office get an allowance of Rs.5/-. These allowances may be permitted to be drawn, the officers attached to the Criminal Intelligence Department being specially selected for the work which is undoubtedly of a more arduous and responsible nature than that of the ordinary Taluk Inspector or Station Sub Inspector.

Attached to this office is the Finger Print Bureau wherein an Inspect

an

and two Sub Inspectors are employed. The Inspector is paid a Duty Allowance of Rs.20/- with, in addition, a conveyance allowance of Rs.6/- while the Sub Inspectors are paid only Conveyance Allowance. I have in my letters C.1290/30 dated 23-11-1930 and C.C.27/30 dated 17-3-1931 drawn attention to the anomalous position of these officers in this matter : their work is of a very responsible nature requiring special training : and I have suggested that like other officers in the Criminal Intelligence Department they should be paid a Consolidated Allowance on the same scale. This suggestion I now repeat. It is true that the case of officers attached to the Finger Print Bureau differs in some respects from that of officers employed in other branches of the Criminal Intelligence Department in that the former, in addition to salary, gain emoluments in the shape of Expert fees. But that is a matter with which I am dealing separately and intend making a proposal for the compounding of these fees and in doing so I shall take into consideration the proposal now made to increase the Duty Allowance of these officers.

The effect of this proposal as compared with the cost of the existing allowance is portrayed in APPENDIX 'A'.

II. MOTOR CYCLE ALLOWANCE:- Only one such allowance is paid Viz., to the Traffic Inspector in Bangalore City and it is, I consider, essential that it should be continued, the nature of the Inspector's duties requiring his travelling constantly over a wide area to supervise the work of his - subordinates and check traffic in the City. These tasks could not be performed otherwise than by Motor Conveyance, a means of locomotion rapid enough to over-take motor buses being requisite.

There will be no change in the cost of this allowance(APPENDIX B'

III. LOCAL ALLOWANCE:- These are of a some what mixed nature.

i. I may deal with allowances of a temporary nature to start with.

(a) These are paid to the officers on duty at the Krishnarajasagara Works,

the

the Sub Inspector being paid Rs.10/-, Daffedars (3) Rs.2/- and constables (25) Re.1/- each. These payments will continue to be made so long as the works are in progress. Eventually it may be necessary to decide what allowances, if any, should be paid to any permanent establishment rendered necessary by these works and what that establishment should be. It will, probably, be advisable to postpone consideration of these matters till the works are settled on a permanent basis.

(b) Temporary allowances are also paid to the Sub Inspector(Rs.10/-) a Daffedar (Rs.3/-) and 14 constables (Rs.2/- each) at Thippagondanahalli, the funds in part being met from the Public Works Department Budget. When the works are completed these allowances may be discontinued.

(APPENDIX 'Ci')

ii. Next, there is the allowance paid to the Police staff employed at the Distillery at Bangalore, half of which is contributed by this Department. It is drawn by a Daffedar and 6 constables at a level rate of Re.1/- and is presumably a payment parallel to that paid to the Bangalore City Police of which the staff forms part. In that case I consider that the Daffedar should be paid at the same rate as his equals in rank in the City i.e. Rs.2/- instead of Re.1/- and have calculated his allowance accordingly in the revised estimate of local allowances - (APPENDIX'C.ii').

iii. Duffedars and constables comprising the staff of the Bangalore and Mysore City Police as well as of the Railway Police stationed in these cities are paid local allowances at the rate of Rs.2/- and Re.1/- respectively on account of the expensiveness of these localities. This addition to pay probably does represent the extra cost of living in a City as compared with mofussil stations, setting aside the augmented rate of rents. This latter is, however, a matter I propose to deal with - separately and need not now be considered : so far as the increased cost of living in cities is concerned, I believe these allowances to be justified and allowance is made for their continuance in APPENDIX 'C' iii.

Similar

iv. Similar allowances are paid in the same scale in these cities as well as in other places, as Bangalore Taluk, Seringapatam, Davangere, and Harihar Sub Taluk and may for the reason given, be continued to be paid. Included in the list were hitherto the District Reserves of Mysore and Bangalore Districts. These forces have ceased to exist but I propose to substitute for them the Vacancy Reserve of those districts which, so far as they will be actually in existence, will be stationed in Bangalore and Mysore and will thus compensate for the increased local cost of living.

The number of constables for whom such allowances have been calculated in the Budget is 329 but after the recent re-organisation the number has been reduced to 301 so that some small saving has been effected. APPENDIX 'C'iii.

v. The Provincial Reserve Police when in Bangalore and elsewhere, save in the Kolar Gold Fields, are paid - Naiks at the rate of Re.1/- and constables at Rs.2/- each - probably on account both of the places they are located in and the special nature of their duties. I certainly think these payments are deserved and they are necessary if we are to attract the right stamp of men requiring for this semi-military Force. I must admit that recruitment has not hitherto been selective, but measures are now being adopted to weed out undersized and unfit men by transferring them to the District Police forces and it is hoped in future that only suitable recruits will be entertained. To that end the payment of these additional - allowances is essential.

Naiks are paid less than constables; prior to 1-7-1930 both Naik and constables were paid at the rate of Re.1/- ; subsequently when district constables had their pay increased by Re.1/-, constables of the Provincial Reserve Police were similarly benefitted - but not Naiks. Since Duffedars in Bangalore City are paid Rs.2/- in addition to pay, it seems illogical to pay less to Naiks in the Provincial Reserve Police who in the matter of pay should at least be on equal terms with their equals in rank serving in the same place. I have accordingly allowed in

APPENDIX 'C' iv - for the equalisation of the allowances of Naiks in the Provincial Reserve Police with those of Duffedars in Cities

vi. There is one other local allowance paid to men of the Provincial Reserve Police on which I have not so far touched namely the allowance of Rs.2/- each to four constables of the Provincial Reserve Police who work as Bicycle orderlies. Their duty is in its nature additional to that of the ordinary Reserve Police Constable and while the allowance is more in the nature of duty than a local one, its payment seems to me to be warranted. (APPENDIX 'C' v)

vii. An allowance of Rs.2/- is paid to constables attending the Provincial Training School ; this may be continued being warranted by the extra expenses incurred by the men in living apart from their families in a district other than their own. (APPENDIX 'C' vi)

viii. An allowance of Re.1/- each is paid to the constables attached to the outpost near the Railway Work Shops in Mysore. This allowance is equivalent to the local allowance paid to constables in Mysore City and may be continued. (APPENDIX 'C' iii)

IV. GOOD CONDUCT ALLOWANCE:- This allowance pertains only to the Kolar Gold Fields District Police and has been one of its perquisities for a very long time. It is in the nature of an incremental allowance limited to an annual sum of Rs.1200/- and is paid to constables at the rate of Re.1/- after 2 years', Rs.2/- after 3 years' and Rs.3/- after 5 years service. The number of constables now actually drawing the allowance is 92. Probably such an allowance was introduced before the idea of incremental pay was conceived as a general matter and it was then a privilege granted to the Kolar Gold Fields Police alone. Now that incremental pay is paid generally, the continuance of this additional increment in the case of one particular district is unnatural and I think this allowance may be discontinued, that is, so far as future grants of it are concerned. It can scarcely be withheld in the cases of constables

who

who are now drawing it and probably have drawn for some considerable time; in such cases increases of pay granted as a general matter should not affect the constables drawing this allowance and no further grants of the allowance should be made. (APPENDIX 'D')

V. SPECIAL LOCALITIES ALLOWANCE:- This is paid so far as this department is concerned to clerks on Rs.50/- and less in unhealthy or expensive places, Shimoga, Chikmagalur and the Kolar Gold Fields being these places whereat it is permissible to draw the allowance. It has been drawn by the clerical establishments of the offices of the District Superintendents of Police of Kadur and Shimoga Districts, but not of the District Superintendent, Kolar Gold Fields District. This may be due in part, possibly, to the fact that until the 1st July 1930, there was only one clerk in that office and that his pay was above the limit specified; but why since that date this allowance has not been claimed and drawn must be ascribed to ignorance or neglect. The claim has been provided for in the revised schedule - APPENDIX 'E' . The allowance is common to all departments and may continue to be paid to clerks of this so long as others continue to draw it.

VI. PERSONAL ALLOWANCE:- This allowance was granted to 3 Subedars of the Provincial Reserve Police at the rate of Re.1/- who prior to the fixing of the maximum pay of the grade at Rs.35/- on 1st September 1929, were actually drawing Rs.36/- and to 616 constables who were on Rs.15/- and were not benefitted when the minimum pay of the constabulary was riased from Rs.12/- to Rs.13/- on the 1st November 1929.

In the case of the Subedars, only 2 continue to draw the allowance; in that of the constables, the number actually drawing the allowance is being ascertained. (APPENDIX 'F')

VII. DRILL ALLOWANCE:- This is paid in only 3 instances - to one Inspector

of

of the Provincial Reserve Police at the rate of Rs.30/- and to one Duffedar of Bangalore City at the rate of Rs.10/- on account of the extra work entailed in training recruits in the Provincial Training School and also to one Drill Instructor in Bangalore City at the rate of Rs.5/- for training the men of the City Police. These allowances are very necessary, especially now that increased attention is being paid to Drill, a matter, I am afraid, that has been neglected and it is essential to devote close attention to it if the force is to be smartened up. I hope to pass batches of the district police through the School and improve their drill. In districts, also, men of the Provincial Reserve Police are engaged in instructing the men (G.O.No.P. 2602-3/Pol. 84-31-2 dated 7-11-1931) and this will serve to keep those passing through the School up to the mark. Bangalore City may well be allowed to retain its own instructor. I conceive, therefore, that these allowances are very necessary and should be continued. (APPENDIX 'G')

VIII. FIXED TRAVELLING ALLOWANCE:- This is paid only to 3 Sub Inspectors and one Jamedar of the Railway Police at the rate of Rs.10/- (less 20%). It is allied to the matter of Conveyance Allowance dealt with in the next paragraph and may be treated in the same manner. (APPENDIX 'H')

IX. CONVEYANCE ALLOWANCE:- This allowance is really a Cycle Allowance paid to Inspectors, Sub Inspectors, and Jamedars in purely Town Stations and to Prosecuting Inspectors or Sub Inspectors in attendance on non-itinerant courts and in the Provincial Reserve Police. Government have been addressed in this matter in this office letter No.G2.C.256/30 dated 10-10-1931 and their orders are awaited. In the cases mentioned, the officers drawing the allowance have little or no chance of drawing travelling allowance yet must maintain some means of conveyance and an allowance is essential.

Other officers, besides those already mentioned, who are paid this allowance are the Inspector and Jamedar attached to the office of the Inspector General of Police, the Inspector and the Sub Inspectors attached

to

to the Finger Print Bureau whose cases have been touched on above in Para I, the Inspectors and Sub Inspectors attached to the Provincial Training School and Sub Inspectors attached to Stores in districts. All these instances may be regarded as on a par with officers in town areas and the allowances permitted to continue. (APPENDIX 'I')

X. MALNAD ALLOWANCE AND GHAT BATTA:- Allowances classified under this head in some instances do not appear to have any connection with the subject of which they are supposed to form part. I will deal with them variously as they appear to me to be distinguished from each other and the main subject.

(a) Malnad allowance to Inspectors:- This is paid only in three Taluks - Saklespur, Mudigere and Koppa. The fact that in the Budget it continues to be styled 'Coffee' allowance affords a clue as to its origin. At the outset an allowance of Rs.50/- was paid to the Inspectors of the Taluks named as 'Coffee Duty Allowance'; later, this stipend was equally divided between Horse Allowance and Malnad Allowance and the latter continues to be paid. The Special allowance was originally paid, therefore, on the score that coffee was grown in the Taluks which have been mentioned and when part of this allowance was converted into 'Malnad' allowance - an anomalous situation was created. Are there not other Taluks just as much ' Malnad ' and equally or more unhealthy than the three mentioned? Take Nagar, for instance where the population is rapidly diminishing. If therefore, Malnad Allowance is granted to the Inspectors in Saklespur, Mudigere and Koppa Taluks, should it not also be granted to those in Thirthahalli, Nagar, Sagar, Sorab, Chikmagalur, Belur, Chennapatna, Closepet, Kankanhalli and Heggadadevanakote which are also classed as Malnad and wherein the Constabulary are paid this compensation for the unhealthiness of the climate in which they are called upon to serve? Some of these taluks, however, can hardly be classed as Malnad; it seems fairly obvious that the allowance paid in them on that score cannot really be regarded as a Malnad allowance as in the cases

of

of Chennapatna and Closepet. Moreover, to extend the concession to several other Taluks would be expensive. I conclude that the allowance now paid in Saklespur, Mudigere and Koppa Taluks may be continued until such time as the pay of the Inspectorate reaches a minimum of Rs.100/- whereafter it may be discontinued. (APPENDIX 'J' i)

(b) A peculiar feature of the distribution of Malnad allowance is that while Inspectors in the Saklespur, Mudigere and Koppa Taluks and Daffedars and constables in these taluks and elsewhere in areas classed as Malnad are thus remunerated, Sub Inspectors and Jamedars receive no such recompense, though it would seem to be but just and logical that they also should be granted a premium on account of the unhealthy climate they have to endure. There is a further inconsistency discoverable when a comparison with the orders relating to Hiriyur is made. In this case, all subordinate ranks receive an addition of 20% to their salaries on account of the unhealthiness of the locality. That is to say, this increment is in the nature of a Malnad allowance and it is paid to the Sub Inspector as well as to the Inspector, Daffedars and Constables. There would appear, therefore, to be no substantial reason for the omission to pay Sub Inspectors and Jamedars serving in Malnad areas this Malnad allowance. In the case of Hiriyur the allowance paid is variable; in the case of the Inspector it may vary from Rs.15/- to Rs.20/- in that of the Sub Inspector from Rs.11/- to Rs.13/- of Daffedars from Rs. 4-3-1/5 to Rs. 4-12-4/5. For constables the allowance averages at Rs. 2-13-10. Were a Jamedar stationed at the place, in his case the allowance would amount to Rs. 8/-. I suggest that in the case of Hiriyur, the allowance be fixed at Rs. 17-8-0 in the case of the Inspector, Rs.12/- in the case of the Sub Inspector, Rs. 4-8-0 for Duffedars and Rs. 2-12-0 for constables and that in Malnad areas Sub Inspectors be similarly remunerated and Jamedars be paid Rs. 8/-.

THE EFFECT OF THIS PROPOSAL IS SHOWN IN APPENDICES 'J'ii & 'J'iii.

(c) In the case of Daffedars and constables, Malnad allowance and Ghat Batta is regulated by G.O.No.P.2167-8/Pol. 235-24-4 dated 31-10-1927 wherein, apparently

apparently, an attempt was made to allot the remuneration on a scale commensurate with the comparative unhealthiness of different places. This result is that the amount of the payments vary, in the case of Duffedars from Re.1/- to Rs.4/- and in that of constables from Re.1/- to Rs.3/-. Matters might, perhaps, be simplified by making the allowance uniform, Duffedars being paid Rs.2/- and constables Re. 1-8-0 though this would mean some additional expenditure amounting in all to Rs.1483/- a month.

As I have remarked above, there are some places whereat the staff are paid this allowance which can hardly be regarded as Malnad areas, as Chennapatna, Closepet and Magadi: in these instances the allowance might more appropriately by styled local allowance but the name does not really make any difference provided the payment of the allowance is justified. On that score I would draw attention to my remarks in PARA XII respecting other allowances and I refrain from recommending any reduction in Malnad allowance on the same grounds unless and until the constabulary are paid a minimum living wage - and that I have fixed, for the present at Rs.18/-. I think any allowances drawn by them which tend to raise their pay towards the desired minimum may well be continued until pay plus allowance reaches that minimum. If then any additional allowance is warranted by the special unhealthiness of any locality, as Muthodu, the grant of an allowance over and above the minimum pay might be considered. As matters stand, recruitment of the right type of candidate required for the Police is difficult, more especially in Malnad areas as well as some others, and the deprivation of this allowance would be disastrous.

One anomaly has crept in in the matter of distribution of Malnad allowance, namely, at Gonibid in Mudigere Taluk where constables are paid Rs.2/- each and the Duffedar only Re.1-8-0. In other stations and out posts in the same Taluk the Duffedars and Constables are paid at the same figure, namely Rs.2/-. In the case of Gonibid there does not appear to be any reason for a lesser payment to the Daffedar and this anomaly has been set right in the revised APPENDIX 'J' iv.

The annual cost of Malnad allowance was Rs. 19,872-0-0 (Vide G.O. No.P.2167-8/Pol. 235-24-4 dated 31-10-1927) on the recent re-organisation of the Police it was reduced to Rs. 14,382 Now with the staffing of Treasury Guards by the Police and the correction of the anomalies I have drawn attention to,the figure has to be increased to Rs. 15,582-0-0.

XI. HOUSE RENT AND FREE QUARTERS:- House rent is at present paid to 4 Inspectors in Bangalore City, and 2 in Davangere; to 6 Sub Inspectors in Bangalore City, 2 in Davangere, 1 in Bowringpet, and 1 in the Railway Police; to 7 Jamedars in Bangalore City, and 1 in the Railway Police; to 6 Daffedars in Davangere; 1 at the Distillery and 8 in the Railway Police and to 75 constables at Davangere, 104 in the Railway Police, 3 on the Chamundi Hills and 6 at the Distillery. The rates are in the case of Inspectors Rs.15/-, Sub Inspectors Rs.10/-, except at Bowringpet where Rs.5/- is paid, Rs.8/- to Jamedars in Bangalore City and Rs.5/- in the Railway Police, Rs.4/- to Daffedars at Davangere, Rs.3/- in the Railway Police and the Distillery; and Rs.2/- to Constables.

(a) In the case of Inspectors, I have in my letter No.C.1963/30 dated 11-4-1931 urged equality of treatment to this grade of officers in Mysore City as is accorded in Bangalore City - and I request that this recommendation may be approved of in the case of 2 Inspectors in the former City who have no free quarters. The 2 Anglo-Indian Head Constables working in Bangalore City who are the only officers of the like rank deprived of House Rent are also recommended at Rs.8/- each. (APPENDIX 'K')

(b) In the cases of other subordinate ranks the necessity for the provision of free quarters or, in their absence, of house rent has to be emphasised. I have mentioned elsewhere that there are instances in which as much as Rs.4/- is paid by constables in the way of house rent and such a tax on their inadequate resources makes it impossible for them to live without recourse to other means of making good the deficiency between their emoluments and the cost of living. In places where some constables are housed and some are not, the former have the advantage of the latter to the extent of Rs.2/-

to

to Rs.4/- according to the locality, while there can be no justification for thus differentiating between them.

I consider that Government should accept the pronouncement that the Subordinate Police should be either housed or, in the alternative, should be paid house rent as axiomatic. The acquisition of the Barr Infantry lines will, to some extent, alleviate the situation in this direction. At the moment 16% of the subordinate Police is housed; with the addition of the Barr Lines the percentage will be raised to 29. So there is still a great deal to be done before the whole Force will be housed. Until such time, I think, house rent should be paid to all subordinate executive officers on a pay of less than Rs.100/- not provided with quarters. This may seem a large demand in view of the prevailing economical depression but it is justified by its absolute necessity if the Police is to be economically independent.

(c) The case of the Sub Inspector of Police, Bowringpet, in the matter of house rent is peculiar. He is allowed Rs.5/- on this account and the amount is paid from the contingencies as was ordered in G.O.No.J.574-5/Pol. 4-07 dated the 19th August, 1907. When Local allowance to Sub Inspectors in this district was withdrawn on the pay of the grade being increased in 1928, this order appears to have been overlooked and is still in force. I am not prepared to recommend that the allowance be withdrawn in view of what I have said in sub para (b) above and of the fact that the Sub Inspectors elsewhere in the same district are housed, but the charge should be made against "SALARIES AND ALLOWANCES" and not against Contingencies.

(d) In G.O.No. P.1394-6/Pol. 162-24-6 dated the 5th September, 1925, the grant of free quarters to the Assistant Superintendents of Police serving in Bangalore and Mysore was admitted. It is not, however, actually granted in practice. In Mysore, the Assistant Superintendent of Police was turned out of his quarters partly to permit of accommodation being afforded for his office and partly because the building allotted was unsuitable for habitation: in Bangalore the quarters of the Assistant Superintendent of Police are used by the Central Police Station (The statement made in the enclosure to the

letter

letter under advertance that the quarters of the Assistant Superintendent of Police, Bangalore City are occupied by servants is not correct). Owing therefore, to the lack of accommodation for Public Offices in these cities, both these officers have been deprived of the privilege which had been - I hold, rightly - accorded them. Houses cannot be obtained in these cities at a lower rent than Rs.40/- to Rs.50/- and I consider that in view of the diminutive salaries paid to these officers and the fact that the latter officer now attached to the office of the Inspector General of Police, has had his conveyance allowance cut, the grant of either free quarters or of house rent in lieu thereof is essential. The same remark applies to the Assistant Superintendents of Police in the Provincial Training School and Provincial Reserve Police.

(e) In G.O.No.P.770-2/Pol. 19-30-3 dated the 8th August, 1930, free quarters are allowed for the present incumbent of the office of the District Superintendent of Police, Kolar Gold Fields District, but not to his successors. Local allowance has already been withheld from this officer and I think the way of future District Superintendents of Police in this district will be hard if both these allowances are withheld, considering the special nature of the appointment and the expensiveness of the locality.

XII. I have kept the matter of local allowances in the Kolar Gold Fields District till the end as it forms a subject all by itself. It will be evident that special favours have from time to time been showered on the Police of this district and it is for consideration whether these should be perpetuated. In that connection it may be said that these favours have resulted in the Police on the Gold Fields being adequately paid, while the Police elsewhere continue to be under-paid. The subject divides itself into two parts Viz: (a) The Bowringpet Taluk outside the Gold Fields proper and (b) the Gold Fields. These are dealt with below.

(a) Two Daffedars attached to Bowringpet station draw an allowance of Rs.10/-, 5 others in the other stations in the Taluk draw Rs.2/- each.

Constables

Constables in Bowringpet station get Rs.4/- each and elsewhere Re.1/- each. Thus, the Police in Bowringpet Station are given local allowance on the same scale as the Police on the Kolar Gold Fields while those elsewhere are placed on the same basis as those in Cities. The former may be treated in the manner in which it is proposed that the Police of the Gold Fields should be dealt with in sub para (b) below: as regards the latter, any allowance now paid that tends to increase the pay of the Constabulary to the figure determined to be the minimum living wage should, I consider, continue to be paid. (Vide sub para (b) which follows.)

(b) On the Kolar Gold Fields, Jamedars and Daffedars are paid local allowances of Rs.10/- and constables of Rs.4/-, the same privileges being extended to Subedars, Havaldars, Naiks and constables of the Provincial Reserve Police while serving on the Fields instead of the local allowance drawn by them in Bangalore, and to the Railway Police staff employed between Bowringpet and Marikuppam. The Fields have always been treated as a special area and the staff been paid special allowances. Those paid to Sub Inspectors were discontinued when the pay of this Grade of officer was increased (G.O.No.P.7256-7/Pol. 197-27-3 dated 15-6-1928) and the same course might be adopted when any increase of pay for other ranks is granted. The question at the moment is whether the local allowances now paid are justified. From statistics I have gathered, it may be shown that the Fields are only very minutely more expensive than Bangalore City. The staff is for the most part housed: if any member of it is not, that is a matter to be considered under House Rents and not under Local Allowances. It would seem, therefore, that there is little justification for paying the police on the Fields more than in Bangalore City, provided always that in the latter place an adequate salary is paid. In the case of the constabulary, I do not believe that this can be held to be the case and I doubt if in the case of Daffedars it can be said, considering the enhanced position he has to maintain, his pay with his local allowance is really sufficient in Bangalore. It is a matter really of determining what the basic pay of a constable should be. If we follow Madras Standards, a constable should get not less

than

than Rs.18/- ✓ 1 and a Duffedar not less than Rs. 30 ✓ 1 with additions for Cities of Rs.3/-. On this basis, a constable with his local allowance on the Kolar Gold Fields does not get more than the circumstances warrant and I am loth to recommend any reduction in the local allowance now paid to him as, with it, he gets what may be termed a minimum living wage. The way to meet his case, I think, is to reduce the local allowance in proportion to any general increase of pay that may be decided upon eventually. In the case of Daffedars who get Rs.21/- or Rs.24/- plus Rs.10/- it is possible that some reduction in the allowances might be effected, say to Rs.7/-, when their total emoluments would be Rs.28/- or Rs.31/- as compared with the grade pay of Head Constables in the Madras Police of Rs.30/-, 35/-,38/- with an additional rupee in each case.

As regards Jamedars who correspond, it may be said, to Senior Head Constables in the Madras Police i.e. those drawing Rs.38 ✓ 1, there is little to be said for the continuance of the local allowance, unless we are to compare their pay with that of Head Constables in Madras City where an extra allowance is paid to each grade, but even then Jamedars drawing this local allowance of Rs.10/- are better off than their equals of Madras City. I would suggest that in the cases of future incumbents in the posts of Jamedars on the Kolar Gold Fields, the allowance be reduced to Rs.5/-. (APPENDIX 'L')

In respect of constables, should the allowance of Rs.4/- be continued and of Daffedars should it be reduced to Rs.7/- these officers will, of course, be much better off for the time being than those of like rank in, say, Bangalore City. But I do not think any good would accrue were their emoluments to be diminished below the sum now paid ; it is essential they should be adequately paid if they are to be kept above temptation. Our aim should be, I urge to raise the pay of like ranks elsewhere so far as may be feasible while not increasing that of men on the Kolar Gold Fields until such time as parity has been reached and a general further increase is possible.

A consolidated proposition statement in duplicate showing the existin and the proposed cost on account of the several kinds of allowances dealt with

above

above is herewith appended. It could be seen therefrom that there is an increase of Rs.295-8-0 per mensem or Rs. 3,546 per annum due mainly to the removal of certain anomalies that existed till now - and this can be accounted for as follows:-

i. A sum of Rs. 1,200/- is required on account of the Malnad allowance to the Duffedars and Constables of Treasury Guard Duty who are stationed in malnad areas.

ii. The proposal to grant Malnad Allowance to Sub Inspectors and Jamedars in all places classed as Malnad involves an increase of Rs.288/- per mensem or Rs. 3456 per annum.

I have the honor to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

The

Inspector General of Police
in Mysore, Bangalore.

With reference to your letter No. S.C.242 of 1931-32 dated 18th July 1932, I am directed to forward herewith draft of a Government order proposed to be issued regarding the various allowances and other concessions enjoyed by the Officers and men of the Police Department and to state that the following discrepancies have been indicated by the Audit Office in verifying the enclosures to your letter of 1st February 1932:

I. Appendix B to your letter dated 1st February 1932 -

Motor cycle allowance drawn by the Traffic Inspector after reduction of 20% ordered in the economy order dated 14th September 1931 is Rs. 16/- while present scale is noted as Rs. 20/- in the Statement.

II. Appendix C. iv and L -

Local allowance of Rs. 2/- was sanctioned to the Constables of the Provincial Reserve Police Force irrespective of the locality in which they are stationed in G.O. No. 1093-4/Pol.90-31 dated 22nd August 1931. In the present proposal an enhanced rate of allowance is made for Kolar Gold Field detachment which is not covered by specific orders of Government (vide G.O. No. F. 4609-18/Ro 234-15-10 dated 10th May 1918)

III. Appendix 1 Conveyance allowance -

1. Chief Office - 2 at 6 in respect of posts since abolished have to be omitted.
2. District Office Sub Inspectors - 9 at 6 ought to 1 at 6 and 8 at 5.
3. District Head Quarter and Town Sub-Inspectors - 9 at 5 and not at 6.
4. Prosecuting Inspectors &c. - 10 at 5 and not at 6

IV. Appendix K House rent to Sub Inspectors, Bangalore City is given as 6 at 10 while it is only 5 at 10 the Sub Inspector, Malleswaram, being provided with free [illegible] by converting the outpost into residential quarters.

I am to request you to be so good as to verify the above statements and return the enclosures sent herewith duly revised where necessary along with the draft order at an early date.

I have the ... to be,

Sir,

Your most obedient serva...

Chief Secretary to Government.

To

N.MADHAVA RAO,ESQ., B.A., B.L.,
Chief Secretary to Government of Mysore,
BANGALORE.

Sir,

With reference to your letter No.P.535 Pol.106-31-8 dated the 25/26th July 1932 forwarding for verification and return the draft of the Government Order proposed to be issued regarding the various kinds of allowances drawn by the officers and men of this Department and calling for my remarks regarding certain observations made by the Comptroller during the verification of the Appendices to the proposals in question, I have the honour to state as follows;-

1. Appendix B - Motor Cycle allowance to the Traffic Inspector, Bangalore. The suggestion of the Comptroller (Rs.16/-) is accepted.

2. Appendix C.iv and L - Local allowance to the Provincial Reserve Police detachment stationed at Kolar Gold Fields.

As per Rule 5 (B) of Appendix VII of M.C.A.C. Vol.I - "The Police at the Bowringpet Town and the K.G.F. will draw the following special rates of Local allowances;- Sergeants Rs.10/- Constables Rs.4/-"

The Provincial Reserve Police is only a branch of the Police and is as much entitled to receive this special rates of allowance which is given on accoun of the nature of locality in which they are serving as the members of the regular Police. It was therefore considered not necessary to obtain specific sanction o Government in the matter about which the Comptroller is very particular. Besides the first permanent detachment at the fields was posted only from 1-9-31 as sanctioned in Para 6 of G.O.No.P.1011-22(1) Pol.207-30-9 dated 15th August 1931 and therefore the grant of this special allowance could not therefore be contemplated in the G.Os. dated 22-8-1930 and 10th May 1918 quoted by the Comptroller. A perusal of the current year's budget may show that Provision is made on account of these

these allowances. Naiks whose pay is Rs.20/- are given an allowance of Rs.10/- treating them as equal to Daffedars.

3. Appendix I - Conveyance allowance;-

i) Chief Office - The suggestion could not have been foreseen when the proposals were first forwarded. It is however accepted as the posts referred to are since abolished.

ii) District Office - Sub Inspectors;-

As the question of the particular amount to be drawn by officers entitled to cycle allowance was pending settlement, a uniform amount of Rs.6/- per mensem was recommended. The Government Order defining the localities in which these allowances should be given is dated 3/8-3-32 (G.O.No.P.5234-5.Pol. 207-30-28 dated 3/8-3-32) The Comptroller's instructions in the matter are as follows;-

As the allowance in Cities and K.G.F.is treated as Permanent Monthly Travelling allowance as per G.O.No.P.2109-10 Pol.70-31-2 dated 13-10-31 and is subject to 20% reduction contemplated in G.O.No.Fl.1795-1850 G.F.54-31-1 dated 14-9-31 Officers working in these places are entitled to receive Permanent monthly T.A. at Rs.6/- per mensem.

In other places, the allowance is to be drawn at Rs.5/- per mensem according to G.O.No.Fl.466-540 S.&.A.22-31-2 dated 16-7-31 reducing the allowance for the maintenance of bicycles from Rs.7-8-0 to Rs.5/- per mensem from 1-8-31.

A circular has been issued to the Districts in accordance with the above suggestions. Therefore, out of the 9 Sub Inspectors 2 should draw at Rs.6/- per mensem and the rest i.e. 7 at Rs.5/- per mensem as shown below in detail;-

1	Bangalore District Office Sub Inspector	Rs.6/-
2	Mysore do.	6/-
3 to 9	Kolar,Shimoga,Hassan,Kadur,Tumkur, Chitaldrug and French Rocks Office Sub Inspectors	5/-
9		

This may kindly be accepted as the correct figure.

iii) District Head Quarters and Town Sub Inspectors;-

The correct figure ought to be 8 at 5, as the Kolar Town Sub Inspector has to be deleted from the list as per G.O.No.P.7220-21 Pol.207-30-35 dated 23/24-6-1932.

iv. Prosecuting Inspectors etc;- Out of the 10 Officers referred to here, 3 are stationed in the Cities (Bangalore and Mysore City Courts and Mysore I Court). Therefore 10 at Rs.6/- ought to be 3 at Rs.6/- and 7 at Rs.5/- This may be accepted.

4. Appendix k - House rent to Sub Inspectors in Bangalore City - While one Sub Inspector was provided with free quarters by the conversion of the Malleswaram Outpost as ~~a habitable building~~ quarters for him, one more Sub Inspector was added permanently to the City Force in the Re-organisation sanctioned in the G.O.of 15-8-31. This fact probably was not considered by the Comptroller and he has been informed of the same in this office letter No.A.C. 1348/31 dated 7-7-32 (Copy enclosed). Therefore the figures furnished by this office are correct.

5. I have enclosed a note of suggestions on some of the points ordered for reconsideration and revised orders of Government. Some minor omissions are also proposed for kind rectification.

6. The enclosures received with your letter under advertance together with the draft Government Order are herewith returned.

I have the honour to be,

Sir,

Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

NK.

Note of suggestions on the draft Government Order re. allowances of the Police Department.

Nature of Allowance.	Government Orders passed.	Suggestions made.
1. L.A.at K.R.S.and Thippagondanahalli	The continuance or otherwise of the allowances of officials of other Department will govern these cases also.	Till the staff is withdrawn specific orders may kindly be passed to the effect that the present rates of allowances now given may continue in respect of these officers and men.
2. L.A.at the Distillery	The present allowances are continued.	The proposal to raise the allowance of the Daffedar to Rs.2/- may be sanctioned subject to the condition that the salary of the officer including all allowances should not exceed 23/-
3. Conveyance allowance	Continued subject to a maximum of Rs.5/-	May be continued subject to a maximum of Rs.6/- as this would be in accordance with G.O.No.P.2109-10 Pol.70-31-2 dated - 13-10-31 sanctioning an amount of Rs.6/- per mensem to officers stationed in Cities and K.G.F.
4. Malnad allowance to Daffedars and Constables.	A uniform allowance of Rs.2/- per Daffedars and Re.one for constable will be paid subject to absorption in the next increase of pay of these class of officers.	The orders now passed may be subject to the condition that the pay and allowances of Daffedars and constables should not exceed Rs.23/- and Rs.18/- per mensem respectively. This proposal has already been made in the recent Re-organisation Scheme now before Government.
5. House Rent	House rent at Rs.15/- each to 2 Inspectors in Mysore City and Rs.8/- each to two Anglo-Indian Head constables in Bangalore City is sanctioned.	House rent to the 2 Inspectors need not be sanctioned in as much as these officers were recently housed by converting the office of the Asst.Supt.of Police, Mysore City as quarters for them. The 3 Anglo-Indian Head Constables who are now in ~~special~~ grade (Rs.50-5-75) may be given house rent at Rs.10 per mensem. Two are now sanctioned at Rs.8/- each per mensem All the 3 may be sanctioned at Rs.10/- per mensem.

NOTE;-

The proposition that the emoluments of Daffedars and constables should on no account exceed Rs.23/- and Rs.18/- each p.m. respectively may be approved as a general Rule.

Some Minor corrections in the Draft Order;-

1) No.3 - (c) After " Seringapatam" add "Town" so as to read " Seringapatam town and Kasaba ".

2) No.3 - (e) After " and the " in line two add " Daffedars " so as to read " and the Daffedars and constables undergoing training in the Provincial Training School ". Even Daffedars are entitled ~~to~~ Local allowance at Rs.2/- for the period they are under training.

3) No.9 - Omit " Office of the I.G.P. "

INSPECTOR GENERAL OF POLICE.

Letter No.A.C.1348/31 dated 7-7-1932 from the Inspector General of Police in Mysore to the Comptroller in Mysore,Bangalore.

****

I have the honour to state that the Superintendent of Police, Bangalore City reports in his letter No.C2.1332/31 dated 18-4-32 that the Audit Office has disallowed House rent for 2 Sub Inspectors of the City on the score that only 5 Sub Inspectors are entitled to house rent etc., and to request to be informed how ~~when~~ when there is provision for 6 Sub Inspectors as per G.O.No.P.566-7 Pol. 210-29-10 dated 23-7-1930 the same is not allowed. Even in the budget estimate Provision for 5 only is admitted. It may however be contended that the building rendered available by the abolition of the Malleswaram out post was used as quarters for one of the Sub Inspectors as proposed in this office letter No.C.C.27/30 dated 17-3-1931 leading to the Re-organisation order of 15th - August 1931 thereby effecting a savings in rent but to this it may be stated that one more Sub Inspector was added to the strength of Bangalore City. Because the Malleswaram Outpost was made available no sanction of Government was obtained to provide this additional Sub Inspector with house rent. There is besides no specific orders of Government reducing the number of officers entitled to house - rent in Bangalore City.

It may also be pointed out that in the absence of specific orders to the contrary, it is to be presumed that sanction for drawing house rent to 6 Sub Inppectors of the City continues and in fact out of 9 Sub Inspectors working in this place 3 are provided with free quarters and the rest viz. 6 should be given house rent.

The favour of an early reply is requested.

Sir,

With reference to your letter No.P.749/Pol.106-31-9 dated 1-8-32 forwarding for verification a statement showing the distribution of Malnad and Ghar station Batta received from the Inspector General of Police, I have the honour to state that the provision of Rs.19,692/- per annum originally sanctioned for Malnad Batta in G.O.No.P.2167-8/Pol. 235-24-4 dated 31-10-27, has undergone several changes due to the abolition of certain outposts and creation of new outposts from time to time. A sum of Rs.5,000/- was also shown as probable savings in the proposals for the reorganisation of the Police Department sanctioned as per G.O. No.P.1011-22/Pol.207-30-9 dated 15-8-31. No distribution statement was so far furnished by the Department showing the particular Taluks and Stations in which this reduction is to be given effect to. In these circumstances the statement is not susceptible of verification from the books of this office.

A saving of about Rs 10000/- is found in the re-organisation

I have the honor to be,
Sir,
Your most obedient servant,
